

Employee (m/f/x)

# Project Management / Customer Care

**WHO WE ARE:** We are a steadily growing special machine manufacturer based in Chemnitz and have specialized in innovative complete solutions for quality inspection. We carry out the entire development process for the systems in-house - from brainstorming to construction and production to on-site commissioning. Our customers are large, global companies from all areas of industry. We continue to grow - for this we need you as:

***Employee (m/f/x) in project management / customer care.***

### **JOB TASKS:**

- You are the central point of contact for all project issues (from the inquiry to implementation).
- You will work closely with your teammates in the specialist departments, coordinate project tasks, dates and reviews, pursue measures and take on the coordination and resolution of issues that arise in your day-to-day business.
- You are responsible for monitoring project progress and helping to meet deadlines using specific planning tools. Time-critical situations are resolved by you in a targeted manner.
- You organize and accompany project-related activities such as acceptance tests for our products at the customers premises and provide support in the hardware and software area, among other things. when setting up test equipment and performing system tests.
- As part of project controlling, you create reports, support the optimization of process flows and the fulfillment of the project goals in terms of deadlines, costs and quality.

### **YOUR PROFILE:**

- A completed apprenticeship as a technician or a degree in electrical engineering / mechanical engineering or a comparable training or several years of professional experience in this area
- Ideally, you have already gained experience in project management.
- You like to work independently, solution-oriented and structured and round off your profile with a responsible way of working, confident appearance, strong communication skills and organizational skills.
- Willingness to travel for business trips (national and international)
- Driving license of class 3 or B
- Very good written and spoken German and English

### **YOU CAN COUNT ON:**

- We offer an open-ended employment contract with varied and demanding tasks as well as performance-related remuneration.
- A modern, professional and friendly working environment with experienced and committed colleagues, flat hierarchies and short decision-making processes.
- A solidly growing company with a high level of innovation.
