

## Constructing Engineer (m/f/d)

### Special purpose machinery manufacturing

**WHO WE ARE:** We are a steadily growing special machine manufacturer based in Chemnitz and have specialized in innovative complete solutions for quality assurance. We carry out the entire development process for the systems in-house – from brainstorming to construction and production to on-site commissioning. Our customers are large, global companies from all areas of industry. We continue to grow – for this we need you as a:

### ***Constructing Engineer (m/f/d)***

#### **YOUR TASKS:**

- Development and design of machines, machine elements and complex mechanical assemblies in „Autodesk Inventor“
- Carrying out simulation and functional tests
- Participation in the continuous standardization and improvement of components and assemblies
- Implementation of construction changes
- Preparation of design and manufacturing documents

#### **YOUR PROFILE:**

- Your passion is the development of technical systems and you have a soft spot for test systems and automated solutions.
- In addition to a successfully completed university degree or an adequate apprenticeship, you ideally have several years of experience in special machine construction.
- You have in-depth knowledge of the Autodesk Inventor CAD system.
- For you, challenges are not a problem, but the beginning of a solution.
- You are open to new technologies.
- Efficiency, initiative and the ability to work independently complete your profile.

#### **YOU CAN COUNT ON:**

- Permanent employment with attractive pay
- Flexible working hours in flexitime as well as mobile working
- 28 days annual vacation + knockout days rule in the event of illness
- Pleasant working atmosphere, short decision-making processes in a familiar environment
- Motivated, experienced and innovative team
- Modern working environment: open and modern offices
- Additional social benefits (e.g.: company pension scheme, kindergarten allowance, EdenRed card, ...)
- Regular employee events, fruit basket, flat rate drinks
- Free parking and good transport links

#### **ARE YOU READY FOR THE CHALLENGE?**

Then we look forward to receiving your application by e-mail to [hr@brainware-solutions.de](mailto:hr@brainware-solutions.de). If you have any questions about the job, you can reach us at: +49 (0)3722 50550-0. **We are looking forward to meeting you!**
